JAPANESE LANGUAGE TRAINING

GRAB THE OPPORTUNITY

- LEARNING JAPANESE LANGUAGE AT YOUR DOOR STEP
- PLACEMENT OPPORTUNITY IN JAPAN

Why Japanese Training?

It is often said that globalization opens international markets, which is one of the reasons why learning Japanese is important. Japan is the third largest economy in the world after the United States and China. The Japanese economy is larger than those of Germany and the United Kingdom, which are ranked fourth and fifth largest.

The Japanese language is the ninth most spoken language in the world. Japanese language is spoken by 128.3 million people globally.

Benefits of Learning Japanese Language:

- Provides more opportunities for international placements
- Opening path towards career as a teacher / interpreter in Japan
- Ease of understanding and adapting to Japanese culture
- Opportunities to learn advanced technologies
- Improves your skills in gaining broader perspectives
- Its your gateway to more Asian culture and languages
- For better career prospects

Sona Yukti is offering training in one of the most popular language in the world with a high demand of trained Professionals

- **N5 level (Beginners)**
- **N4 level (Proficient)**
