

Free Medical Coding Training in Chennai by the Valliappa Foundation - Sona Yukti & Tech Mahindra Foundation

Free medical training is now within the reach of anyone who wants to work in the multi-million dollar medical coding industry, thanks to the CSR initiative of the Valliappa Foundation-Sona Yukti and the Tech Mahindra Foundation.

The 100% free medical coding course in Chennai is being offered in the Sona Yukti center which has partnered to be a Tech Mahindra SMART Center. The center is equipped with advanced classrooms, labs, and library facilities. Along with professional training by industry experts, additional training that enhances career skills is also being offered as part of the course, such as soft skill and personality development.

The 6-month course is open to anyone in Chennai as well as the rest of India. There are limited seats, with only 30 per batch, but is 100% free for all applicants. There is also placement assistance in leading companies in India at the end of the course.

Students will undergo on-the-job training (OJT) in the last few months of the course. This will be in reputed medical coding companies in Chennai. The OJT will enhance the experience and confidence of students by working in a real world environment. For students who excel throughout the course, the OJT will be a paid internship.

The free medical training is open to graduates from any stream, with preference to life science graduates. This will open new doors to a sustainable and fulfilling career for anyone interested in medical coding.

About Valliapa Foundation-Sona Yukti:
